

SPRING BREAK ... CHICKS GONE WILD!

Spring is Coming ... Is Your Skin Ready?

Thursday, April 29th from 6-8 p.m. evolv Medical Aesthetics - 2000 Regency Court

The kids have had their "spring break" and now it's time for yours! Join the Chicks for a two-hour mini escape into the world of evolv medical aesthetics. Dr Frank Barone, M.D., will be our personal guide as we explore the evolv approach to personalized and results-based advanced skin and body therapies, cosmetic surgery procedures, and most importantly how to protect ourselves from the damaging rays of the sun! Medical aestheticians, massage therapists and other professional staff will be present to supplement the presentation given by Dr Barone and to help demonstrate various procedures.

This evening, aesthetician Angie Scott will demonstrate the application of permanent makeup. With summer coming, what better time NOT to have to worry about your eye liner running! Two lucky Chicks are needed to demonstrate evolv's exclusive VISIA Complexion

Analysis and for a makeover using Jane Iredale mineral cosmetics. Relax with a chair massage and chat with massage therapists to learn about the benefits of bodywork. evolv's massage therapists are trained in several different types of massage which helps them create a personalized session, designed to meet your specific needs. Ask about migraine therapy, pregnancy massage, aromatherapy and more!
